E-LEAVE

Online Leave Application

Employees can submit their leave applications, view summary of their leave balances and for their superior to approve their submitted leave. this helps a lot of users track their applications and speed up the process of submission up to approvals

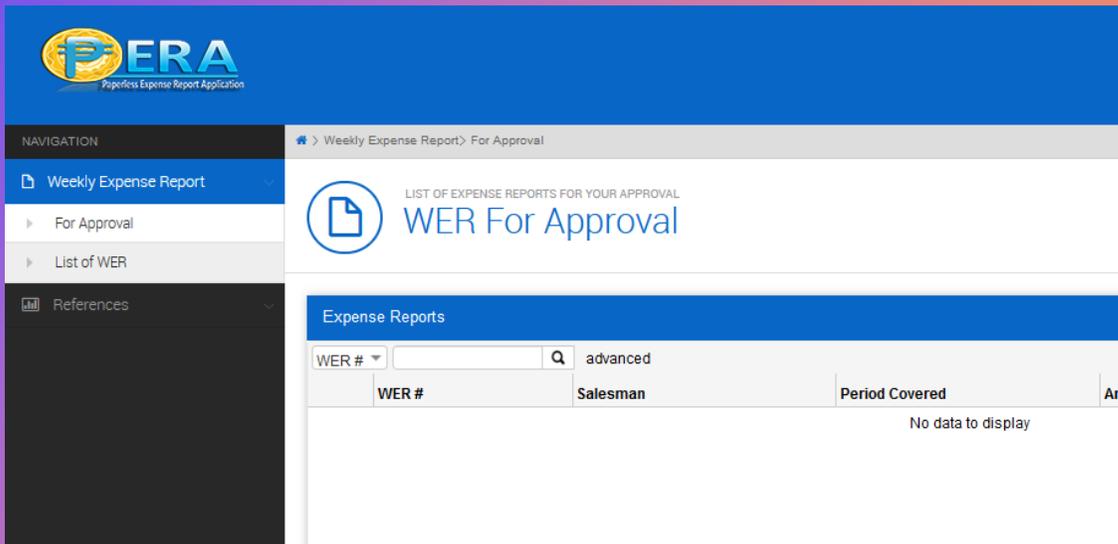

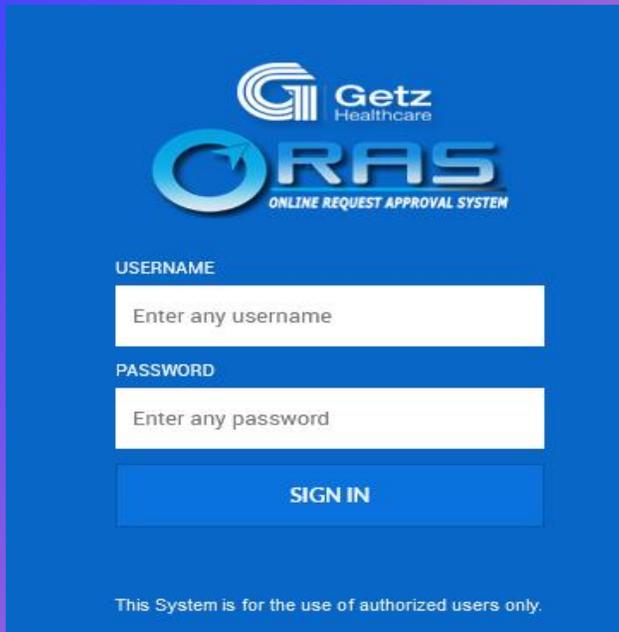

PERA

Paperless Expense Report Application

This system enables salesperson to submit their expense report for reimbursement from their supervisor all the way to FINANCE department for the approval. This helps salesperson regarding the proper computation, summarization of their weekly expense report

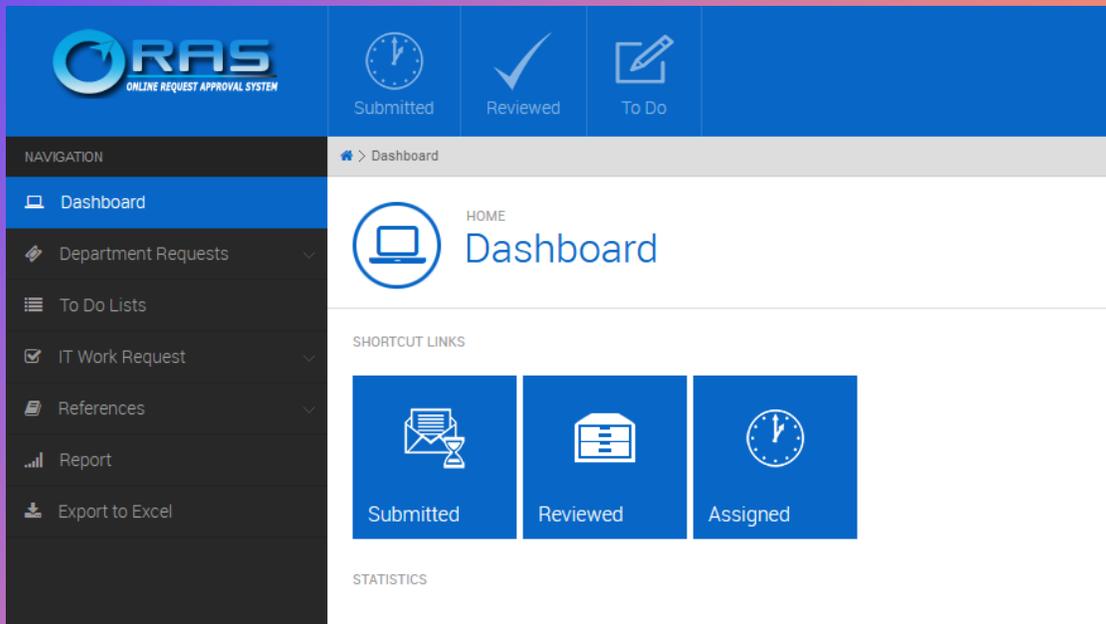

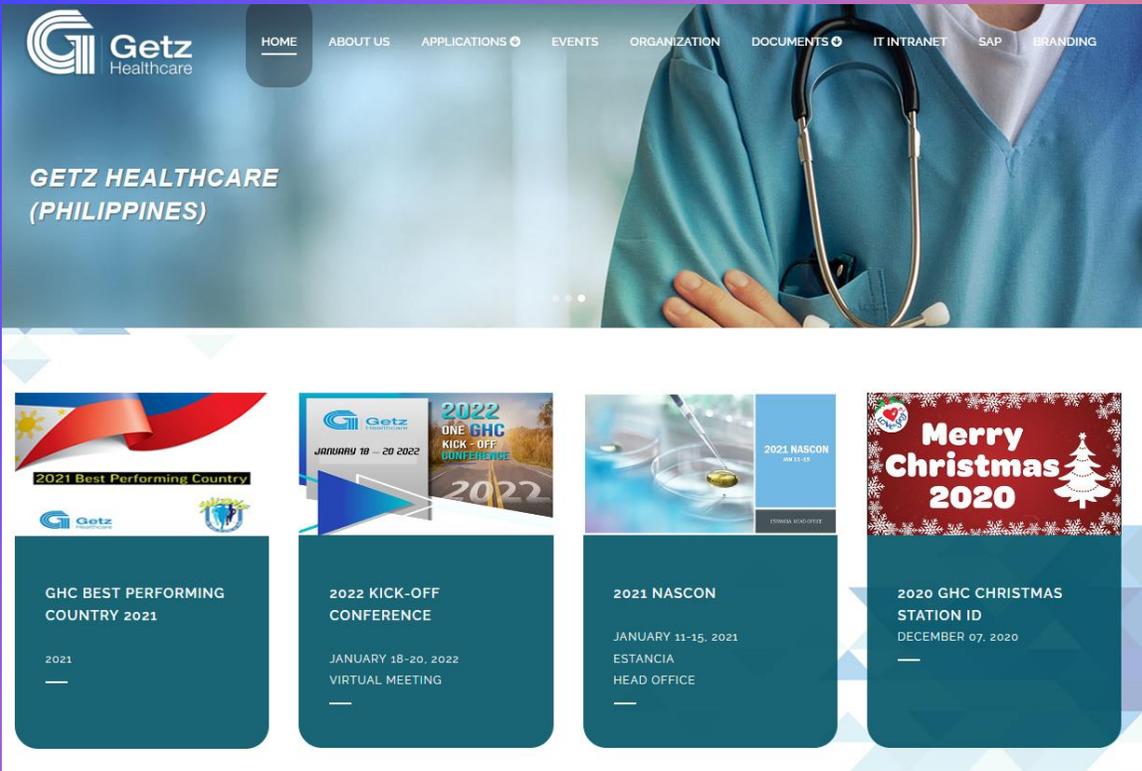

ORAS

Online Request Approval System

This system allows user to submit their request like laptop, access to a particular report, cellphone issuance etc.

INTRANET

Created via CMS WordPress

This is where we uploaded all company forms, process manuals, recent events, and announcement

IT REPORTS

IT reports repository

This is where we can access all requested reports and other data.

The image shows a login form for the MYKPI system. At the top, there is the Getz Healthcare logo and the MYKPI logo. Below the logos, there are two input fields: one for the username and one for the password. A blue 'SIGN IN' button is positioned below the password field. At the bottom of the form, there is a disclaimer: 'This System is for the use of authorized users only.'

MYKPI

Key Performance Indicator System

This is where we send self assessment of our performance weekly

The image is a screenshot of the MYKPI dashboard. The top navigation bar is blue and contains the MYKPI logo on the left and the text 'For Approval (Own)' on the right. Below the navigation bar, there is a sidebar on the left with a dark background and white text, listing 'Dashboard', 'KPI', 'Reports', and 'Utilities'. The main content area is white and features a 'Dashboard' heading with a home icon and the text 'WELCOME TO IT KEY PERFORMANCE INDICATOR SYSTEM'. Below this, there is a section titled 'IT Weekly KPI' with two dropdown menus: 'Select Month : March' and 'Select Week : 2022-03-04 to 2022-03-10'.

>	Account Maintenance (4)
>	Reference Tables (11)
>	Asset Maintenance (15)
>	Accountability Maintenance (11)
>	Reports (12)
>	Other Utility (2)

ITAMS

Information Technology Asset Management System

This is where we encode all our IT inventories and trace all accountabilities that the employees have.

GPAD

Getz Paperless Automated and Dynamic System

GPAD is both an android application and website. GPAD is used for sales booking, collections, store checking and other activities that needs to be performed by a salesman during call coverage, the concept of GPAD is for salesman not to have a lot of hard copies of documents during their interaction with their customers

GPAD – SUB SYSTEM

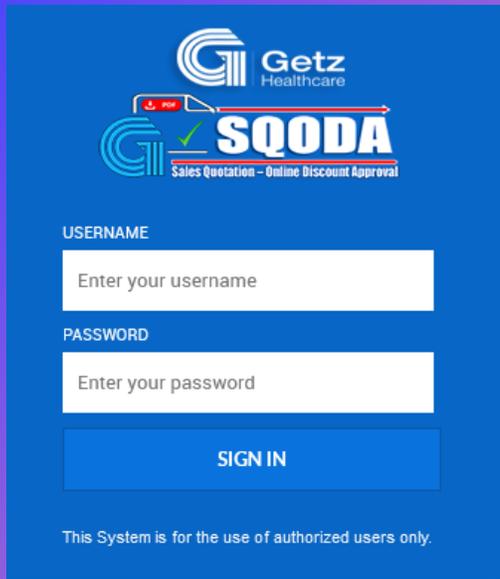

- GETZ-Q
- Salesman booking system incorporated with SAP

- INSIGHTS
- A survey/questionnaire form to be answered by the customer this data will be used by the company to be studied and maybe make some changes on the monthly plan for their next coverage

- NOGAPS
- Salesman collection performance tracker

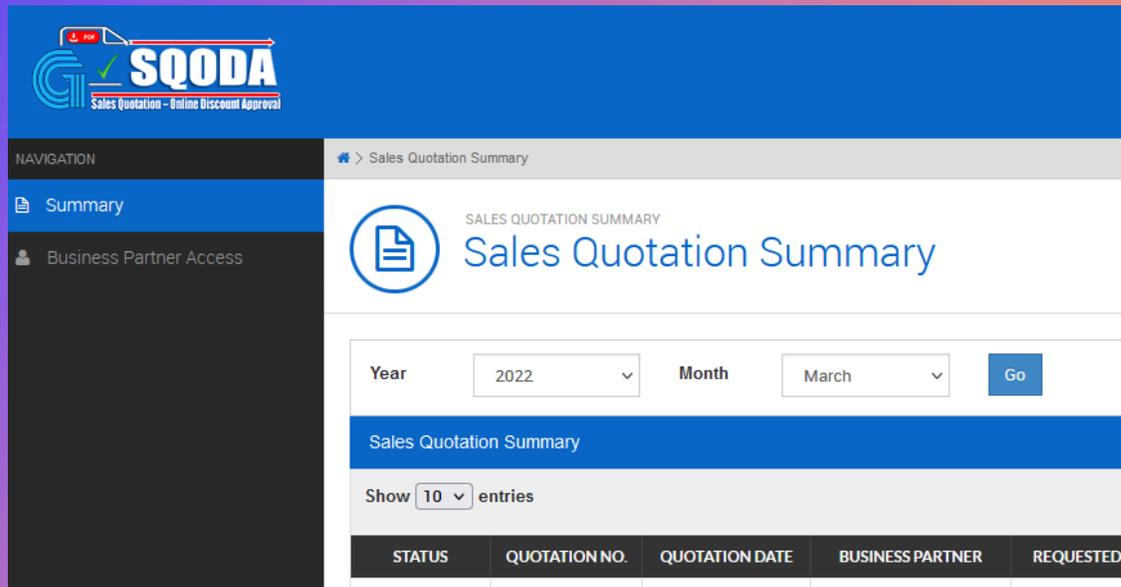

The image shows a login form for the SQODA system. At the top, there is a logo for Getz Healthcare and the SQODA logo, which includes a checkmark and the text 'Sales Quotation - Online Discount Approval'. Below the logo, there are two input fields: 'USERNAME' with the placeholder text 'Enter your username' and 'PASSWORD' with the placeholder text 'Enter your password'. A blue 'SIGN IN' button is positioned below the password field. At the bottom of the form, there is a small disclaimer: 'This System is for the use of authorized users only.'

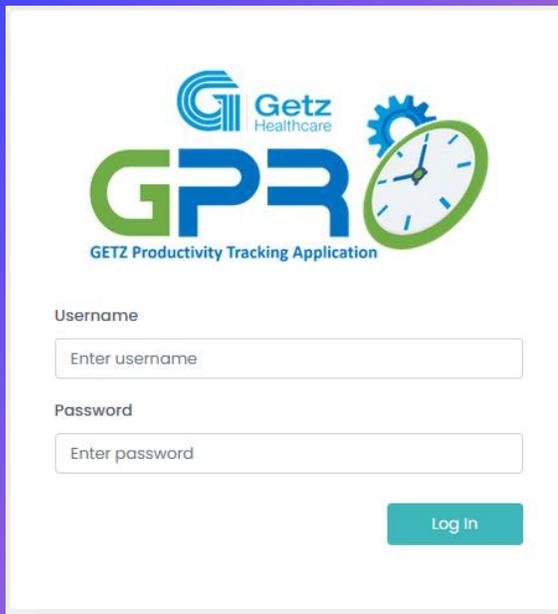

SQODA

Sales Quotation Online Discount Approval

This system allows our business partners to approve special discount on their product requested by our salesman

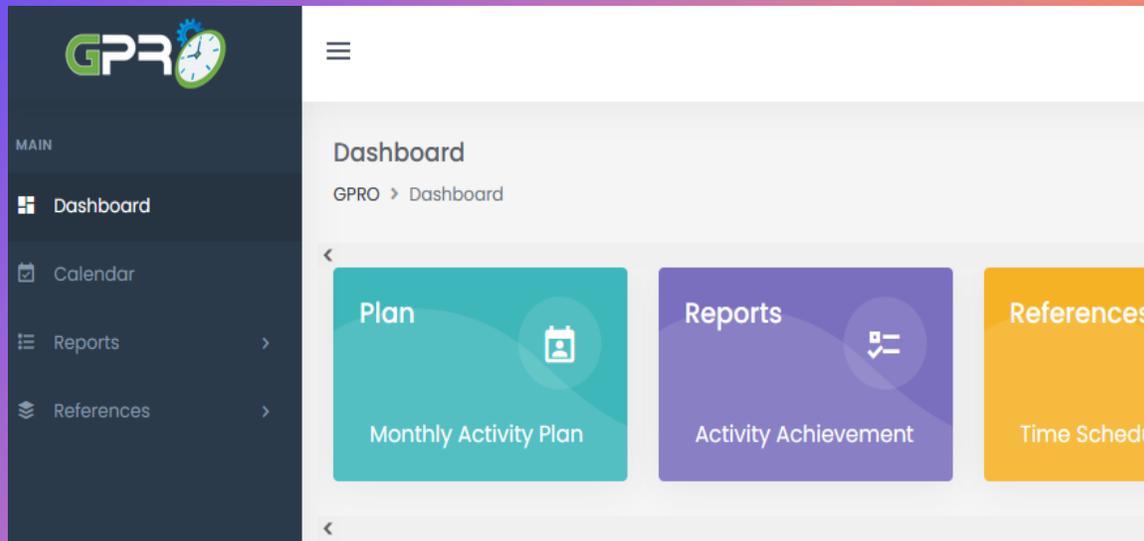

The image is a screenshot of the SQODA dashboard. The top header features the SQODA logo and the text 'Sales Quotation - Online Discount Approval'. Below the header is a navigation menu with 'Summary' and 'Business Partner Access'. The main content area is titled 'SALES QUOTATION SUMMARY' and 'Sales Quotation Summary'. It includes a filter section with 'Year' set to '2022' and 'Month' set to 'March', and a 'Go' button. Below the filter is a 'Sales Quotation Summary' section with a 'Show 10 entries' dropdown. At the bottom, there is a table with columns: 'STATUS', 'QUOTATION NO.', 'QUOTATION DATE', 'BUSINESS PARTNER', and 'REQUESTED'.

GPRO

GETZ Productivity Tracking Application

This system is for our distribution department to track their productivity incorporated with SAP
